*“The non-ordained participate in Christ’s priesthood as the priesthood of the baptized. As I noted earlier in this letter, the lay faithful can exercise or express their vocation in the priesthood of the baptized through their apostolate within society, assisting in the liturgical catechetical, and pastoral life of the Church or collaborating with the ordained in carrying out formal ministry. The priesthood of the baptized truly does bring God’s Kingdom into our world with a faith lived in the temporal and social order of society
