MARRIAGE MOMENTS Just as Jesus Body was "glorified" marriage can be an experience of miraculous ecstasy—not all the time, but at special moments. It is a grace that carries us through the mundane times that are also part of life. Share a time of ecstasy

In ministry, sometimes I sense a competition among the ordained and non-ordained. Clergy who forfeit their inherent pastoral responsibilities to the lay faithful and lay faithful who attempt to assume rightful roles of the priest can lead to a laicization of the clergy and clericalization of the laity. This, in my experience, is the result of a poor theological understanding of what it means to participate in the priesthood of Christ.
