Dear Saint Januarius Parishioners,

For over a week the Catholic Church has been a headline in the news on a daily basis: Pope Benedict XVI will end his pontificate on Thursday, February 28; then, the conclave, the meeting of cardinals to elect a successor to Pope Benedict, will take place, with all the accompanying speculations and finally a new pope will step out onto the balcony of Saint Peter's Basilica, and the media will search out every last biographical detail of the 266th occupant of the papal office.

Yes, this is big news and I follow it every day. But if the news people were to call me and ask me what is the big Church news every day, I would answer; That in difficult financial times the parishioners of Saint Januarius Church not only support the ministry of our parish but also that of our Diocese **and with great generosity!!!!** Thank you, brothers and sisters in the Lord, for successfully concluding one Parish Share and beginning another. **Your witness of faith is the daily good news of the Gospel.**

*Msgn. William M. Godowski*

*Indeed, the ministerial priesthood differs from the priesthood of the baptized because it possesses "sacred power" which is at the service of the Body of Christ (cf., Catechism of the Catholic Church, 1592). This sacred power is what brings about the Eucharist, the celebration of the sacraments, and the faithful handing on the Gospel. Again, without this priesthood, there would be no Eucharist and therefore no Church.*
