Dear Saint Januarius Parishioners,

For over a week the Catholic Church has been a headline in the news on a daily basis: Pope Benedict XVI will end his pontificate on Thursday, February 28; then, the conclave, the meeting of cardinals to elect a successor to Pope Benedict, will take place, with all the accompanying speculations and finally a new pope will step out onto the balcony of Saint Peter's Basilica, and the media will search out every last biographical detail of the 266th occupant of the papal office.

Yes, this is big news and I follow it every day. But if the news people were to call me and ask me what is the big Church news every day, I would answer; That in difficult financial times the parishioners of Saint Januarius Church not only support the ministry of our parish but also that of our Diocese **and with great generosity!!!!** Thank you, brothers and sisters in the Lord, for successfully concluding one Parish Share and beginning another. **Your witness of faith is the daily good news of the Gospel.**

Msgn William M. Ogodowski

As you and I, members of the Church of Pittsburgh, embark on the dawn of a "new Pentecost," it is important to remember how essential the distinctions must remain between the priesthood of the baptized and the priesthood of the ordained. Forgetting about the essential distinctions, at best, adds confusion to the important task of advancing the mission of Jesus, and, at worst, betrays the vision of Jesus Himself.
- Most Rev. Bishop David Zubik
