*"As the Church of Pittsburgh continues on our journey of Envisioning Ministry, a process that seeks to let the Spirit enliven all of the 214 parishes and numerous other faith communities in our Church, it is important that we remember and live the distinctions between the priesthood of the baptized and the priesthood of the ordained. It was that distinction that Jesus intended at the Last Supper. It was that intention that found the promise of Jesus fulfilled with the birth of the Church at the outpouring of the Holy Spirit on that first Pentecost. That sacred moment, the seminal experience of the Church being born, is an experience that we relive in the ordinary experience of faith encountered at the parish level of the Church."*
