Yes, this is big news and I follow it every day. But if the news people were to call me and ask me what is the big Church news every day, I would answer; That in difficult financial times the parishioners of Saint Januarius Church not only support the ministry of our parish but also that of our Diocese **and with great generosity!!!!** Thank you, brothers and sisters in the Lord, for successfully concluding one Parish Share and beginning another. **Your witness of faith is the daily good news of the Gospel.**

"In my priestly ministry here in the Diocese of Pittsburgh and during my Episcopal ministry in the Diocese of Green Bay, I noticed an unfortunate tendency of some who placed more importance on the parish buildings than what it means to be a community of faith, the Body of Christ. In responding to pastoral needs, some parishes may have to downsize, merger with other parishes, or grow into larger parishes. How regrettable to learn that people actually leave their parish or even stop practicing their faith to protest their dissatisfaction when such necessary decisions are made. We must never lose sight of what it means for us as a Church to be the Body of Christ.
