*"The Church Alive' - this is the goal of what it means to be a Church. Most people experience the Church at the parish level. Therefore it is my desire to insure that all of our parishes are being constantly reinvigorated. Pope John Paul II wrote an exhortation to Catholics in North and South America shortly before the turn of this century. He explains that all renewal must be connected to the Eucharist. "the parish is a privileged place where the faithful concretely experience the Church. The parish needs to be constantly renewed on the basis of the principle that the parish must continue to be above all a Eucharistic community" (Ecclesia I America,41). As the apostles celebrated that first Eucharist with Christ so do we today during Mass. This is what a parish is all about".*
