Second Sunday in Advent

EMMANUEL

To name someone or something means that we have a relationship with that entity. Family names identify us with our heritage; nicknames denote familiarity or a special bond. In the Old Testament, the meaning of a name ran deep. It identified one's mission, even one's very being.

The amazing name "Emmanuel" was first uttered by Isaiah as he described to the frightened King Ahaz the promised one who would come to redeem the people. Emmanuel is not a frightening philosophical name, such as Omnipotent, Omniscient, Almighty. It does not connote distance and transcendence. It does not generate reverential fear. The name Emmanuel implies closeness and intimacy and compassion. Emmanuel is the name given to the one who is coming. It means "God is with us." God is entrusted to the care of a virgin, who will bear this child. Only God would be so compassionate to draw so near, to be so available and vulnerable. Only God could love this well.

In spite of the glare of computer monitors, neon signs, flat screen TV's, sirens, flashing hand held video games.

In the midst of the glare of cell phone screens, store marquees, blinking Rudolph noses, traffic signals, halogen headlights, flashing answering machines.

In the midst of the glare I still hold inside the soft glow of a star. Quiet, Ancient, Timeless, Beckoning me to hope,
 to peace,
 to faith,
 to love.
 To Bethlehem.

During the time that I served as an administrator at Quigley Catholic High School, one of the requirements for graduation was that all students take part in what was called a “Senior Service Project.” During the course of that week, students had the opportunity to be part of a supervised program where they would put their faith into action. We began that process during my last year at the high school. The results were phenomenal. As a matter of fact, through the Senior Service Project, some students discovered their own careers. .
